SKIP **JULY'S** LOAN PAYMENT!

APPLY FOR METRO'S

SKIP-A-PAYMENT PROGRAM TODAY!

WHAT IS SKIP-A-PAYMENT?

Skip one loan payment without impacting your credit rating! The Skip-A-Payment Program gives you the option to defer a monthly payment on any eligible METRO loan. If your loans are paid through payroll deduction, the payment stays in your account, making it immediately available!

HERE'S HOW IT WORKS:

We advance your payment due date and your maturity date (for example on a 36 month loan, if one payment is skipped, you make 36 payments over 37 months). You can choose to skip one monthly loan payment or up to two consecutive payroll deduction loan payments.

HOW DO I QUALIFY?

- ☒ You've made at least 6 (six) payments to your loan, *
- ☒ Your Accounts & Loans are current and in good standing,
- ☒ You've requested less than 4(four) Skip-A-Payments on your loan,
- ☒ You want extra cash in your pocket!

I must be a member in good standing with all of my loans current in the past 6 months to participate in METRO's Skip-A-Payment Program. METRO reserves the right to deny this benefit to anyone who has not made scheduled payments on time. This program is not available on loans during the first six (6) months of the loan agreement. Two Skip-A-Payment requests are allowed in one calendar year (three months in between Skip-A-Payment requests) with a maximum of 4 (four) Skip-A-Payments for the life of loan. There is a \$30.00 processing fee for each Skip-A-Payment request. Each loan requires a separate request form. I may skip one month's full payment on the eligible loan types listed above. Finance charges will continue to accrue on a daily basis at the Annual Percentage Rate set forth in my loan agreement, both during and after the deferral period. This means that this deferral of scheduled payments will result in paying a higher total finance charge and possibly a greater total number of payments. In all other respects, the provisions of my original agreement remain in full force and effect. I agree that I will resume making scheduled payments beginning with the payment due during the month following the deferral and will make all scheduled payments due thereafter. My next monthly payment will include the finance charges from the skipped month. Monthly Premiums for Credit Life/ Disability will still be added to the loan balance on the skipped month.
