

MEMBER'S CHOICE® Credit Disability Protection

This valuable payment protection makes your monthly loan payment should you become disabled due to a covered illness or injury. With MEMBER'S CHOICE Credit Disability, you'll find comfort in knowing that an emotional tragedy doesn't have to become a financial one.

The need is real.

If you were disabled and your income eliminated or reduced, could you make your loan payments? Consider these statistics:

- You have a 30% chance of being disabled during your working years.¹
- 65% of workers have no disability coverage.²
- Employer long-term disability typically pays 50% to 60% of salary.³
- 52% of workers say they live paycheck to paycheck.⁴

How much protection do you need?

If you and your family have to draw on your savings to pay off your loan debt, your dreams for the future could be at stake. This worksheet will help you determine if you have adequate financial resources to maintain your family's lifestyle if you become disabled. If there is a gap between what your family will need and current coverage, you may want to consider MEMBER'S CHOICE Credit Disability.
